BUSINESS NAMES AUSTRALIA

It is expected some time in 2012, ASIC will administer the new national business name registration service, taking the registration of business names away from each State and Territory. The new application will also incorporate and application for an ABN.

Shelf Company Services Pty Ltd is planning for this change and we will be able to offer a quick online application, once the service has been introduced.

Further information is available from ASIC's website

MEMBERS AREA

Our online access is a simple easy to use online company registration form. Just follow the simple process.

Account holders may be required to contact us prior to using this service so we can advise your password.

In our MEMBERS AREA, all of your orders (if online service used) will be stored, including all of the company binder documents (including the certificate of registration and constitution) are stored in here as PDF's.

If you are unsure of your user name and/or password please contact one of our friendly staff and we will be happy to reset and supply.
